

2026 ITOPF R&D Award Application Form

For your application to be considered for the award, please ensure that the following items are sent along with the completed application form:

- The CV of all applicants involved (page 7, point 10);
- For PhD projects only: 1-2 pages project outline (page 3, point 6);
- A timetable of intended research (page 3, point 5);
- A detailed breakdown of costs (page 10, section B, point 2);
- And a risk analysis (page 9, point 13).

Page and point references are provided within brackets to indicate where each particular item is mentioned on the application form.

The complete application form and required supporting documents should be sent to rdaward@itopf.org.

Applications are welcomed from **1st September to 1st December 2025**.

The winner of the 2026 ITOPF R&D Award will be announced in April 2026.
